List of Christian democratic parties:

From Wikipedia, the free encyclopedia

Christian democratic parties are those political parties that seek to apply Christian principles to public policy. The underlying Christian democracy movement emerged in 19th-century Europe, largely under the influence of Catholic social teaching, and it continues to be influential in Europe and Latin America, though in a number of countries its Christian ethos has been diluted by secularisation. In practice, Christian democracy is often considered conservative on cultural, social, and moral issues and progressive on fiscal and economic issues. In Europe, where their opponents have traditionally been secularist socialists, Christian democratic parties are moderately conservative overall, whereas in the very different cultural and political environment of Latin America they tend to lean to the left. It is the dominant political movement in Europe.

[] Similar but unaffiliated parties and politicians

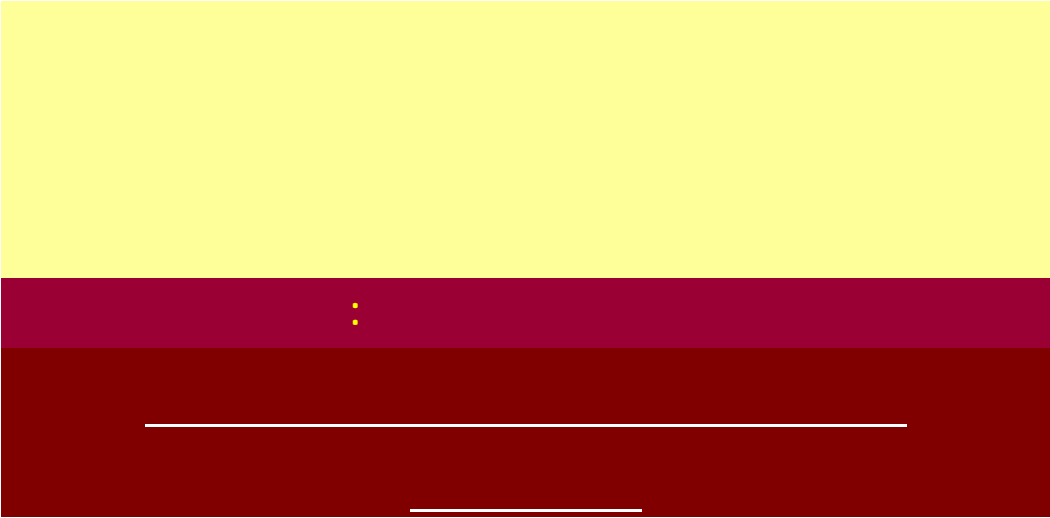

Though they do not identify with Christian democracy directly, being Judaic, Israel's Shas (orthodox Sephardic Orthodox party) and United Torah Judaism (orthodox Ashkenazi party) are politically similar to Christian democratic parties, due to their combination of conservative social and religious policies with an emphasis on

increased social spending. They also tend to be centrist and relatively flexible in terms of their positions on national security and the peace process.

Turkey's conservative Justice and Development Party (AK Party) bears important similarities to the West's Christian democratic parties. Broadly pro-Western and inclined to economic liberalism, the AKP rejects Turkey's traditional stringent anti-clericalism in favor of a more friendly separation of church and state.^[6]

Francis Davis, a former advisor to both the Labour and Coalition governments in the UK blogs at <http://theprincipledsociety.com> and has a close interest in Christian Democratic parties

بلال فضل: الإخوان أنقذوا الثورة في لحظات حرجة

كتب- محمد يوسف:

حيا الكاتب بلال فضل دور شباب الإخوان في الثورة المصرية الأخيرة، مؤكداً أنه لولا وجودهم في لحظات حرجة عديدة خلال الثورة لكان منحى تطور الأحداث تغيراً كثيراً.

وقال- في حلقة نقاشية عقدتها "دار الشروق"، مساء أمس- إن الإخوان فصيل شارك في الثورة، ولا بد أن تستفيد منه القوى الوطنية في التوعية للجماهير بخطورة وفرص المرحلة المقبلة.

وحدّر من خطورة المطالبات بحلّ جهاز أمن الدولة بشكل عشوائي، دون دراسة كافية؛ حتى لا يتحول إلى جهاز قتل مأجور، كما في دول أمريكا اللاتينية، مؤكداً ضرورة إبقاء الجهاز تحت الرقابة القضائية، وأن يكون جهازاً وطنياً يعبر عن أمن الوطن وليس أمن الأفراد.

٣ احترس الرجعيون

” كشفت أحدث وثائق ويكيليكس عن تجارب علمية سرية سلفية حلزونية تحت إشراف الدكتور شاهر سيف في إطار خطة رهيبة جدا جدا لنسف التطور الحضاري الرهيب و إعادتنا إلى عصر الجمال و الخيم . و أكدت مصادر حلزونية نجاح التجارب على فيات 128 و التي تحولت إلى جمل 7 راكب بسنمين كما تم تحويل منتجات منشية ناصر هيلز و نزلة السمان تاورز إلى خيمة مكيفة عملاقة .. اليوم الساقع “

” يشهد التاريخ أن طالما كان العلماء و المخترعون المسلمون هم قادة الإنجازات العلمية

في أوج انتشار علماء الدين من السلف الصالح و ما حارب الدين العلم أو التقدم قط

بل إن طلب العلم مقرونا بالنية الصالحة هو من أنفع الأعمال في دين الإسلام.

الإسلام بفهم السلف هو دين لصالح الدنيا و الآخرة ، ..

منهج علم و عمل لا كهنوت فيه .. “
